

## Day Trips & Tours Safety Measures

To comply with Government rules and to make our vehicles as safe as possible for our passengers there will be some changes in place on our trips/vehicles.

By purchasing tickets for our day trips and tours, you are agreeing to the following:

- ✓ **Face coverings** which can be a scarf, piece of cloth or a mask must be worn whilst travelling and must cover the mouth and nose (Unless you are exempt from wearing one)
- ✓ **Hand Sanitiser** will be provided and will need to be used on all vehicles as passengers board them.
- ✓ Until further notice we will be using **social distancing** on our vehicles so our trips will be running with less passengers on.
- ✓ Contactless **temperature checks** will be in place.
- ✓ Please **do not travel if** you have a new continuous cough, high temperature or a loss of taste or smell.

We look forward to welcoming you back on  
board our coaches.
